Hi Todd and Angie-

Chris and I just wanted to drop a quick note and say thank you for the great hunting experience last weekend. The guys we brought with us were absolutely amazed at how well Star and Bella retrieved the birds. Not to mention how impressed they were with your beautiful facility, friendliness of your staff and accommodations available for after the hunt (i.e. gun cleaning station, showers and even a tub to give the dogs a bath in).

We also want to thank Todd again for taking the extra time and going the extra mile with helping us get started with the basic training with Tucker. Using Star for him to follow during that hunt was an awesome experience for both Tucker and us. Star is very talented and we can only hope that Tucker follows that same path. We truly appreciate all you have done for us.

We look forward to our next hunting experience at Hunters Point!!! I have attached a really neat picture taken during that hunt of Chris and Tucker. The fog was terrible that day but it sure did make a great picture.

Thanks Again!

P.S. Thanks Todd for breaking my new vest in with dead birds ☺ Chris was shocked when I pulled those birds out of MY vest ☺ I never thought I see the day when I would be carrying around dead birds in my clothes!!!!
